

Homework Grid Spring Term 1

Geography -Mountains

Year 4

This half term, we are looking at mountains in geography. All the activities are based on this. Can you choose 5 activities to do for this half term You may spread these out over the half term, complete them all at once or bring them all in by the due date- the choice is yours! Homework to be in for Wednesday 8th February.

<p><u>Winter landscapes</u></p> <p>Can you draw or paint a landscape picture of a group of mountains? Or perhaps you could create a 3D model of a mountain?</p>	<p><u>Story time</u></p> <p>Could you write an adventure story linked to a visit to a mountain? You could get lost or even meet a frightening snow beast!</p>	<p><u>Tour Guide</u></p>  <p>I am wanting to go to the Alps for my holidays. Could you find out what things I could do there and write a leaflet telling me what to expect?</p>
<p><u>Moutian explorers</u></p>  <p>Can you find out more about Sir Edmund Hillary or another famous mountain explorer and what achievements they gained.</p>	<p><u>Factfile</u></p>  <p>Can you find out some facts about a famous mountain or mountain range? Can you write a factfile with pictures about it?</p>	<p><u>Volcanoes</u></p>  <p>Volcanoes are also mountains. Can you found out more about when Mount Vesuvius erupted and what happened at Pompeii in the Roman times?</p>
<p><u>Climbing a Mountain</u></p>  <p>Imagine that you were setting out to climb a mountain. What equipment might you need?? Research what it is like to be a mountain climber and what skills and equipment you need.</p>	<p><u>Mountain Quiz</u></p> <p>Can you make up your own mountains quiz? It can be based on based on what you have learnt or you could make it about one mountain you have found out about.</p>	<p><u>Mountain Wildlife</u></p>  <p>Many different animals and plants live on mountains. Can you find some that do and find out more about them and how they adapt to living there,</p>
