

## **PSHCE Parent Questionnaire**

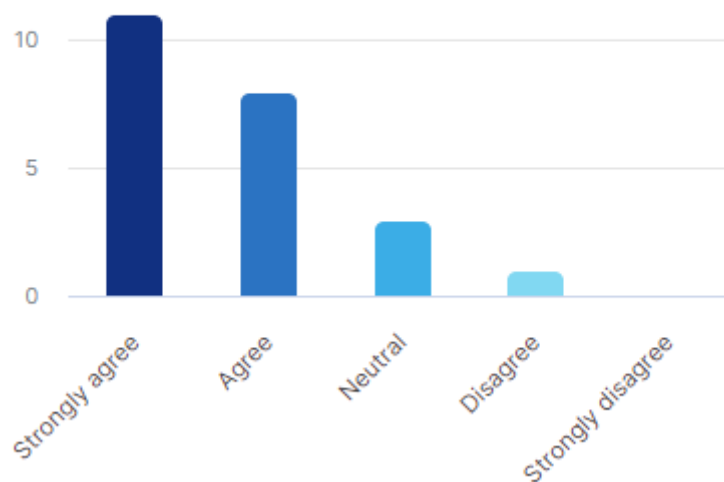

### Responses and Outcomes

We recently invited you to complete our PSHCE (Personal, Social, Health, Citizenship Education) Parental Consultation and would like to thank you for taking part. As a school community we are committed to working in partnership with parents and all stakeholders within it and, as such, your feedback is invaluable. We have presented the answers and responded to comments made in this document.

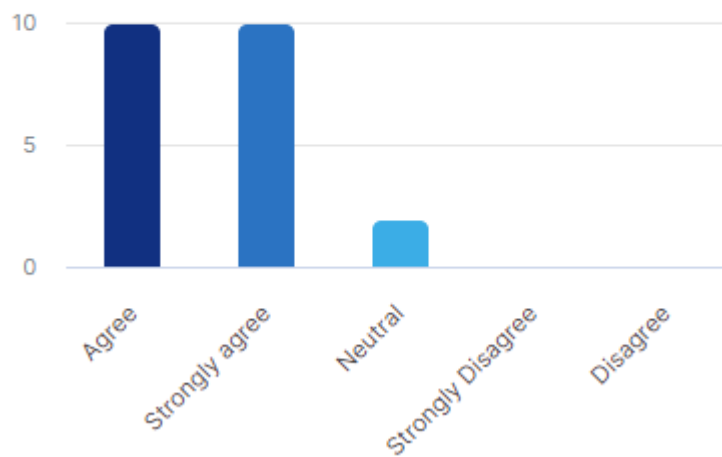

#### **1. I think PSHCE education is an important part of the school curriculum**

#### **2. PSHCE topics taught in school can make a real difference to young people's lives**

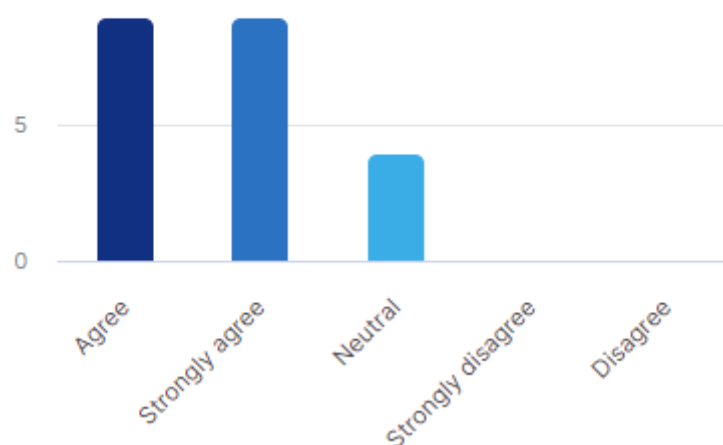

3. I understand and agree with the content of the PSHCE policy (all documents can be found on the school website on the Personal Development...

4. There were no responses to question 4 as no one strongly disagreed with the statement '*I understand and agree with the content of the PSHCE policy*'.

5. I am aware of the topics that will be covered by PSHCE sessions at Ladywood Primary school (all documents can be found on the school website...

6. Are there any changes or additions that you think should be made to the PSHCE policy or curriculum?

ANSWER	RESPONSES	RATIO
	18	81.8%
100 % recommended	1	4.5%
No	1	4.5%
I feel out children are too young when I asked my child he got so embarrassed cried and said he wasn't going to school when this takes place	1	4.5%
I don't like the fact that my child in year 3 is wanting to know how to have sex.	1	4.5%

PSHCE Parental Consultation Responses	
Parent Comments	Response
I feel children are too young when I asked my child, he got so embarrassed and cried and said he wasn't going to school when this takes place.	At Ladywood we try our very best to establishing a safe teaching and learning environment for PSHCE education lessons. We want all pupils to feel comfortable and able to ask questions. We pride ourself of the relationships we build with children and hope that these strong bonds help children to feel comfortable in school. If any parents are worried about upcoming topics in PSHCE or their children are upset please don't hesitate to speak to the class teacher about your concerns.
I don't like the fact that my child in Year 3 is wanting to know how to have sex.	At Ladywood sex and relationship education is taught in year 5 and year 6. The Relationships Education, RSE, and Health Education (England) Regulations 2019 have made Relationships Education compulsory in all primary schools. Sex education is not compulsory in primary schools. Head teachers will automatically grant a request to withdraw a pupil from any sex education delivered in primary schools, other than as part of the science curriculum. If a pupil is excused from sex education, it is the school's responsibility to ensure that the pupil receives appropriate, purposeful education during the period of withdrawal. There is no right to withdraw from Relationships Education or Health Education.
