

Medium Term Plan

Stage 3 : Me and my friends at school

In this module:

During this half term the children will revisit some of the core language they have learned in the first two stages of language learning and build on that to include extended feelings phrases. They will also learn to speak about another person in the third person. In addition, the children will be introduced to an authentic French primary school timetable, learn nouns for school subjects and to give opinions of school including a reason to extend.

Extended feelings

- Expressing their feelings using extended phrases and new adjectives

Introducing my friend

- Learning to speak in the third person singular, about another person (e.g. he is called...)

School subjects

- Learning nouns for school subjects
- Giving extended opinions including conjunction 'because' to give a reason for liking/disliking a subject

Learning Objective for each lesson:

- 1) I can understand some adjectives to describe my feelings.
- 2) I can begin to answer the question "How are you?" in more details.
- 3) I can say an extended sentence about how I am feeling.
- 4) I can say some important things about myself and somebody else.
- 5) I can say if I like or dislike a school subject.
- 6) I can give my opinion about school subjects.
