

20<sup>th</sup> April 2026

Dear Parent/Carer,

**Year 1 Visit - Yorkshire Wildlife Park in Doncaster  
Thursday 9<sup>th</sup> July 2026**

We have booked a visit to take the children to the Yorkshire Wildlife Park. During the day, the children will take part in a workshop to learn more about the animals we have been learning about in school and that live in the park, we'll have plenty of time to explore the park and see all the animals too.

We will travel by coach leaving school at 9.15am and arriving back in time for a normal finish at 3.15pm.

The cost of this visit covers coach travel, park entrance and workshop fees and has been subsidised by school. The school does not have the funds available to fund this visit completely and therefore rely on parental contributions, in the unlikely event that we do not receive a contribution from each child, we may be forced to cancel this trip.

All children will need a packed lunch and plenty to drink (no glass bottles or fizzy pop please). As all children in Year 1 are eligible for Universal Free School Meals, if you would like, we can provide your child with a packed lunch from school - **please let us know by Friday 19<sup>th</sup> June if you require this.**

All children must wear full school uniform for the visit with suitable shoes, coat etc. depending upon the weather.

Children may bring a small amount of spending money, no more than £5. This should be placed in a named purse or money bag which they will be responsible for throughout the day.

In order for your child to take part in this visit, please make your contribution via the Arbor app. As part of the payment process you will be asked to provide your consent. By providing consent you:

- *agree to your child taking part in the above activity and his/her participation in the activities described*
- *acknowledge the need for obedience and responsible behaviour on his/her part and are aware of the procedure for returning pupils home prior to the end of the visit where their behaviour endangers the Health and Safety of other pupils.*
