Ladywood Weekly News

Issue 37

Friday 4th July 2025

Dear Parents and Carers,

This week has been our 'Health and Fitness Week.' The children have all enjoyed learning about staying physically and mentally fit as well as taking part in a multitude of sporting activities. Each pair of classes enjoyed their Sports afternoons and we were delighted to see so many parents and carers attending. We were so lucky with the weather and have not had to cancel a single event!

Throughout the week the children have gained points for their colour sports team and next week we will reveal which team won the overall award for 2024/25.

Sport and competition has been a key feature of our week with many children and their parents attending a Sports Ceremony Evening for our local cluster of schools on Monday evening at The Holiday Inn, Dodworth. The event was hosted by Grassroots, our sports partners, and was thoroughly enjoyed by all who attended. Our Y3/4 and Y5/6 girls football teams won their leagues and a number of trophies and certificates were presented to individual Ladywood children with extra special awards going to;

- George as the KS1 Sports Personality of the Year
- Oscar as Lower KS2 Sports Personality of the Year and
- India as Upper KS2 Sports Personality for the Year.

Points are awarded at each competition and event throughout the year to the winning team and the school who showed the greatest sportsmanship and teamwork. The points are counted and the overall winners win the Overall Winners Award whilst the school who has collected the most sportsmanship and teamwork awards wins the Fair Play Award. Ladywood has a great sporting history and in the 2 previous years of working with Grassroots in this way we received the Fair Play Award in 2022/23 and the Overall Winners Award in 2023/24. As it came to the final big trophies on Monday night we all waited in anticipation and were delighted to hear Ladywood announced as the winners of the Fair Play Award 2024/25! Well done Team Ladywood!

On Wednesday morning a special assembly was held in school to celebrate the amount of children who had taken part in sports events run by Grassroots this year, the individual and team awards and the collective Fair Play Award. I am very proud of the children of Ladywood for receiving the Fair Play Award as it highlights how special they are and what wonderful personal characteristics they have developed.

A massive thank you at this time to Mr Bowering for working closely with Grassroots to provide all the great events and Health and Fitness Week but also to the number of support staff members who have also attended competitions with the children of Ladywood.

Have a lovely weekend everyone,

Yours sincerely,

Mrs CL Grainger-Roystone

Headteacher

Attendance

Our attendance target is 96%. Each week the class with the highest attendance receives an award and £5 credit towards an end of year treat. Last week, **Y3** achieved the highest attendance of 96.5%. **WELL DONE!**

Lates

Polite reminder that if your child/ren arrive between 8.55am and 9.15am they will receive a late mark (L) code. If your child/ren arrive after 9.15am they will receive a (U) code which is also an unauthorised late mark and could lead to a fixed penalty. Absences, whether authorised or unauthorised will bring your child/ren's attendance down.

Illnesses

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell. Please see illnesses information below.

Polite reminder that if your child/ren are unwell, please ensure contact is made to the office, via the app or leaving a voicemail on 01226 711488. Please ensure a reason for absence is provided daily.

Appointments in school time

Polite reminder that medical/dental appointments need to be arranged outside of school hours, on occasions this may be unavoidable, please always ensure appointment confirmation cards/letters are provided to the school office at the earliest opportunity so these can be added to your child/ren's record.

Home visits

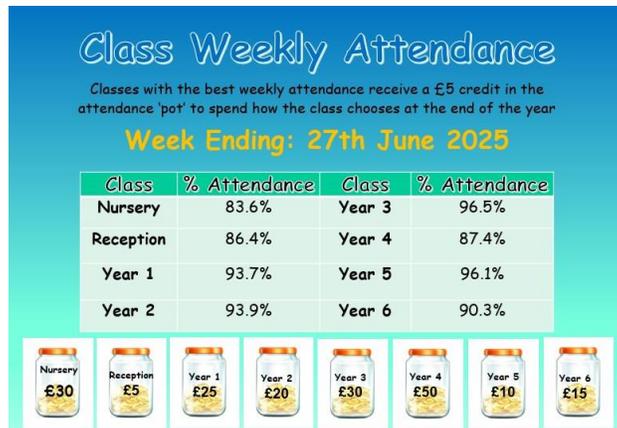

Home visits will be carried out to check on the well-being of children who are absent from school. These visits will take place in cases where no contact can be made to establish reason for absence and on day 3 of absence in all cases, and will continue if absence persists. In some cases, dependent on the circumstances surrounding pupil absence, we may make a home visit sooner. If deemed appropriate, the Education Welfare Officer may make the home visit.

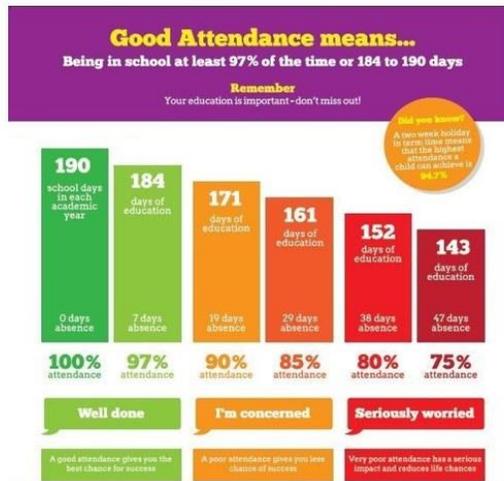

Leave of Absences

Penalty Notices are requested from schools and **issued by the Local Authority** to the parents/carers of statutory school age children, and can be issued per parent, per child. For example: 3 siblings absent for leave of absence in term time could result in **each** parent/ carer receiving 3 separate fines at the below rates.

- **First offence** - The first time a Penalty Notice is issued the amount will be: £80 per parent, per child paid within 21 days. This fine increases to £160 per parent, per child if paid after day 21, until day 28.
- **Second Offence (within 3 years)** - the second time a Penalty Notice is issued the amount will be £160 per parent, per child paid within 28 days.
- **Third Offence and Any Further Offences (within 3 years)** - the third time an offence is committed a Penalty Notice will not be issued, and the case may be presented straight to the Magistrates' Court under s.444 of the Education Act (1996) or other legal interventions considered. The Magistrates' Court can order fines up to £2500 per parent, per child.

Failure to pay a Penalty Notice will render you liable to criminal proceedings in the Magistrates Court under Section 444 of the Education Act 1996.

Ladywood Primary Attendance Awards September 2024-July 2025

Individual awards

- If your child/ren achieve 96% or above for 1 school term they will receive their Bronze attendance award
- If your child/ren achieve 96% or above for 2 consecutive school term's they will receive their Silver attendance award
- If your child/ren achieve 96% or above for more than 2 school term's they will receive their Gold attendance award
- Any child/ren with 100% attendance by the end of the academic year will receive a special award

When can my child return to school?

If you are worried, please seek further advice from your GP or community pharmacist

Nursery

This week in Nursery, we have had our 'Health and Fitness Week'. We have taken part in lots of lovely sporting activities but our favourite was using the parachute. On Monday, we took part in our Sports Day. Although it was hot, all of the children did amazing and tried their best. Thank you to all of the grown-ups who came to support.

Next week, we will be looking at our school grounds and what the school looks like. We will also be finishing our fruit topic by painting fruit pictures.

Please note, Nursery will be closed on next Monday and Monday 14th July due to new starter visits.

Reception

We have had a fabulous health and fitness week. We have been talking about the range of things we need to do to keep healthy and fit. We have spoken about the importance of healthy eating, exercise, getting plenty of sleep, teeth cleaning and washing. We have also spoken of the need to kind, respectful and helpful towards others. We have discussed how to be a good friend and the importance of telling an adult if we feel upset or sad about something. We have also spoken about sun safety and the measures we can take to stay fit and well in the heat.

We have loved our activities everyday, which have included circle games, parachute play, bat and ball skills, throwing and catching and action songs. We have loved doing our races on the big field.

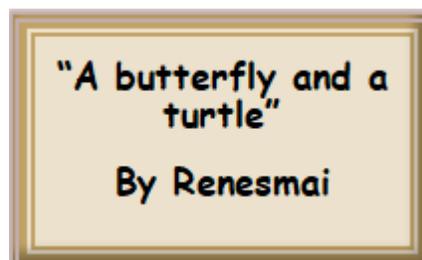

A super week Reception children and a big well done to you.

Next week we will be talking about how we have grown and changed. We will be thinking about Year 1 and transition.

Happy weekend Reception children and families!

Mrs McQuillan and Reception staff

Picture of the week

Year 1

What a sporty week we have had! The children have worked brilliantly in their teams and we've been very busy with our fitness and sports week activities.

Thank you for your support during Sport's Afternoon. The children had great fun and showed so much confidence and resilience when competing.

In other activities, children have been working to gain further points for their teams by playing rounders, designing a medal and other team games.

In Maths, children have been learning to tell the time to the hour and half past the hour. We've been working really hard to identify the hour and minute hand, drawing them on clock faces.

In History, Year One started their learning about David Attenborough. We have been looking at his early life and his love for animals.

Have a lovely weekend,

Miss Adams and Mrs Wilson

Year 2

This week in reading we have started a new topic book focusing on trees and forests. We have explored the locations of different forests around the 5 continents and investigated the climates which enable those types of trees to grow. We have used a mixture of retrieval, inference and vocabulary skills to answer questions and demonstrate our understanding.

In writing we are making excellent progress towards being ready for publishing our big write instruction pieces on making improvements to the hospitals. We are now looking at editing our draft work to ensure that we have all the correct grammar and punctuation and that we have spelled things correctly. We are also adding amazing common exception words to take our writing to the next level.

In Maths we have been exploring the mature vocabulary of dividend, divisor and quotient when dividing to prepare us for more tricky maths in KS2. We can now identify the number which relates to each of the words and we can skip count on number lines to help us with our division.

We also had a truly amazing sports day, each and every child showed outstanding resilience, determination and sportsmanship and I am immensely proud of every single one of them.

Well Done Team Year 2!

An extra WELL DONE to yellow team who came first for Y2!

Year 3

We have had a fabulous week for Health and Fitness week... We have enjoyed lots of activities linked to this topic including our Sports Day event. We had such a fun afternoon competing against each other in lots of different races!

In maths, we have continued to work on fractions and we have compared fractions using greater than, less than and equals signs.

In English, we have been finding out about sports stars including Marcus Rashford, Lionel Messi and several female athletes including Jessica Ennis-Hill. We have read non-fiction texts and answered questions about them.

We have done lots of sports activities this week including dodgeball, rounders, bench ball and yoga as well as our weekly swimming lesson.

We have also learned about what living conditions were like for people who lived in cities during the Industrial Revolution in history and we have re-visited our favourite music modules from Year 3 during our weekly music lesson.

Year 3 will be focusing on time in maths over the next couple of weeks. Please practise telling the time with your child on an analogue clock at home to help them with this if possible.

Thank you for your continued support,

Mrs Lassu, Mrs Salter and Mrs Guy.

[Year 4](#)

This week has seen our sports week and sports awards night which was amazingly attended so thank you to all parents who took their children.

In class for year 4, we have been looking at the original Olympic games in reading and looking at money and adding and taking away in different methods. Next week we will move onto time. In

curriculum time we have managed to start our junk modelling art work which will continue into next week.

We have also had lots of fun with our sports day and sporting events this week. Thank you to all parents who attended our sports day on Wednesday which I thought ran really smoothly. We have also had intra school matches of Benchball, rounders, cricket and dodgeball which have all been exceedingly well participated in. Overall it's been a great week and the weather has been kind to us as most days have been dry and at a nice temperature.

Have a great weekend, 2 more weeks to go!

Year 5

In English, we did some cross curricular writing this week, based on our history topic- The Anglo-Saxons and Vikings. We found out about the first Viking invasion on Lindesfarne in 793 AD and created newspaper reports on this key historical event. Next week, we will continue reading 'The Lost Thing' and write our diary entries.

In Whole Class Read, we continued reading 'When the Stars Come Out...' and found out about the mountains and the savannah, and how animals adapt to these two very different climates. Next, we gave out awards to the different animals we were introduced to; the awards included: most fearsome, most loyal, most striking and most vicious.

This week in Maths, we continued our work on calculating with decimals by explaining how to use multiplying by 10 or 100, to multiply one-digit numbers by decimal fractions. Next, we explained how to use the size of the multiplier to predict the size of the product compared to the multiplicand. Next week, we will start a new unit on fractions.

We've had a busy week and the children have really enjoyed taking part in 'Health and Fitness' week. We have had a Benchball competition, Sports Day, Year 5 v Year 6 Rounders and finished the week off with a Dodgeball competition. The children have all impressed us with their positive attitude and support for each other.

Year 6

This week, Year 6 have been getting active and earning points for their teams through exciting sporting events, including rounders, dodgeball and bench ball. We all looked forward to and enjoyed our very own Sports Afternoon on Thursday! We've also enjoyed supporting the younger pupils by lending a helping hand during Year 1 and 2 rounders sessions and their sports day.

Alongside the sports, we've been transitioning into our new school environment and having a fantastic time exploring new lessons in maths, science, and history. A highlight of the week? The delicious cheese and tomato pizza—definitely a favourite!

Next week, we'll be back to our usual timetable, with plenty of fun ahead in DT making a cartouche out of clay linked to our history learning and being switched on in science: investigating how torches work.

**Barnsley Bikeability
Cycle Training**

Dear Parent / Guardian,

Bikeability is the national award for cycling and is delivered by Active Barnsley on behalf of Barnsley Council, aiming to help give children and young people the skills to confidently ride a bike safely.

Bikeability cycle training will be delivered in your school, week commencing Monday 14th July 2025.

Bikeability sessions will be delivered on the playground and quiet, safe residential roads close to school, all within school time.

- Full training is delivered by experienced and qualified instructors.
- Free bike safety check for your child's bike.
- If you haven't got a bike, we can loan a bike and helmets where needed, just indicate on the consent form.
- Children undertaking the course will receive a badge and certificate

Please note, both levels of this course are for children who can already ride a bike and they should be able to balance unaided as a minimum. Children that are considered to be riding competently after Level 1 will progress to Level 2.

Bikeability Level 1 - Developing your child's basic riding skills and understanding of riding their bike.

Bikeability Level 2 - Developing your child's confidence and understanding of local routes.

To book a FREE place for your child, please use the QR Code or link here.
<https://consent.bikeability.org.uk/proof-fav-sis>

If you are unable to access the internet, please speak to the school about using an alternative booking method.

Yours Faithfully,
Adam Robinson
Bikeability Co-ordinator BMBC / Active Barnsley

1 - Bikeability returns for Y6 children week commencing 14th July! Please complete parental consent for your child/ren to take part.
