## Ladywood Weekly News

Issue 36

Friday 27th June 2025

Dear Parents and Carers,

As we approach the end of the school year we have many events and activities coming up. These are detailed in the newsletter but we will highlight upcoming events weekly as reminders so please make sure you read the information we send out, thank you.

Next week is Health and Fitness Week at Ladywood and the children and adults are looking forward to an active week. For a while we have been sharing the dates when parents and carers can attend school to spectate at some of the sporting events for their child(ren) – please see the useful dates at the end of the newsletter if you are still unsure which day you need to attend. The children can come to school all week in ***sports wear that is appropriate for school***; shorts must be of a length to maintain decency and football shirts/kits are not acceptable. The children in the EYFS unit are being asked to wear their usual PE kits but in Years 1 to 6 the children are asked to wear a t-shirt in their team colour. We do not expect you to buy anything new; if your child does not have a suitable coloured t-shirt they can wear their usual school PE top and we will provide them with coloured wristbands.

The Year 6 children will be spending Tuesday next week at Shafton ALC and parents and carers of Y6 children will have received information about this event. Please note they will be expected to wear their full Ladywood school uniform on this day, make their own way to Shafton (arriving at 8.45am), take a bottle of water which can be refilled at water fountains, and snacks for breaktime. Lunch will be provided free of charge but your child can, if they prefer, take a packed lunch.

Have a lovely weekend,

Yours sincerely,

***Mrs CL Grainger-Roystone***

***Headteacher***

## **Attendance**

Our attendance target is 96%. Each week the class with the highest attendance receives an award and £5 credit towards an end of year treat. Last week, **Y3** achieved the highest attendance of 98.2%. **WELL DONE!**

**Lates**

Polite reminder that if your child/ren arrive between 8.55am and 9.15am they will receive a late mark (L) code. If your child/ren arrive after 9.15am they will receive a (U) code which is also an unauthorised late mark and could lead to a fixed penalty. Absences, whether authorised or unauthorised will bring your child/ren's attendance down.

### **Illnesses**

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell. Please see illnesses information below.

Polite reminder that if your child/ren are unwell, please ensure contact is made to the office, via the app or leaving a voicemail on 01226 711488. Please ensure a reason for absence is provided daily.

### **Appointments in school time**

Polite reminder that medical/dental appointments need to be arranged outside of school hours, on occasions this may be unavoidable, please always ensure appointment confirmation cards/letters are provided to the school office at the earliest opportunity so these can be added to your child/ren's record.

### **Home visits**

Home visits will be carried out to check on the well-being of children who are absent from school. These visits will take place in cases where no contact can be made to establish reason for absence and on day 3 of absence in all cases, and will continue if absence persists. In some cases, dependent on the circumstances surrounding pupil absence, we may make a home visit sooner. If deemed appropriate, the Education Welfare Officer may make the home visit.

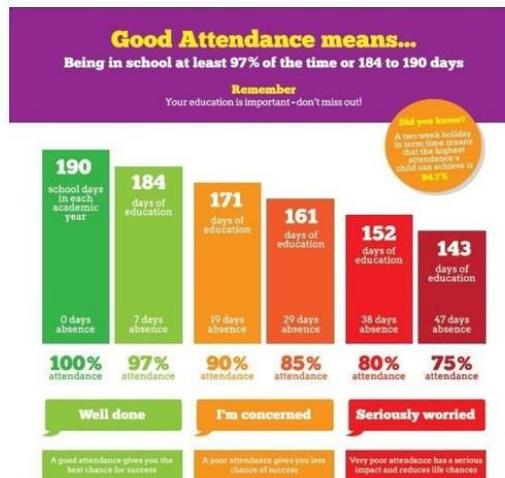

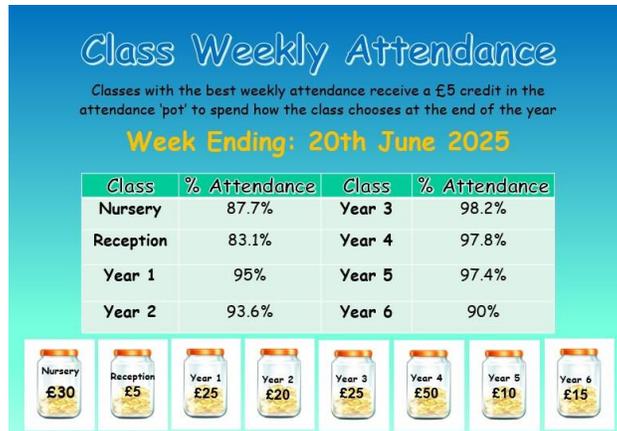

### **Leave of Absences**

Penalty Notices are requested from schools and **issued by the Local Authority** to the parents/carers of statutory school age children, and can be issued per parent, per child. For example: 3 siblings absent for leave of absence in term time could result in **each** parent/ carer receiving 3 separate fines at the below rates.

- **First offence** - The first time a Penalty Notice is issued the amount will be: £80 per parent, per child paid within 21 days. This fine increases to £160 per parent, per child if paid after day 21, until day 28.
- **Second Offence (within 3 years)** - the second time a Penalty Notice is issued the amount will be £160 per parent, per child paid within 28 days.

- **Third Offence and Any Further Offences (within 3 years)** - the third time an offence is committed a Penalty Notice will not be issued, and the case may be presented straight to the Magistrates' Court under s.444 of the Education Act (1996) or other legal interventions considered. The Magistrates' Court can order fines up to £2500 per parent, per child.

**Failure to pay a Penalty Notice will render you liable to criminal proceedings in the Magistrates Court under Section 444 of the Education Act 1996.**

## Ladywood Primary Attendance Awards September 2024-July 2025

### Individual awards

- If your child/ren achieve 96% or above for 1 school term they will receive their Bronze attendance award
- If your child/ren achieve 96% or above for 2 consecutive school term's they will receive their Silver attendance award
- If your child/ren achieve 96% or above for more than 2 school term's they will receive their Gold attendance award
- Any child/ren with 100% attendance by the end of the academic year will receive a special award

**When can my child return to school?** If you are worried, please seek further advice from your GP or community pharmacist

Year 6	- Riley

## Health & Fitness Week!

Our annual Health and Fitness week will be taking place on the week commencing the 30th June. Each day your child will engage in some sporting activity or health awareness lesson. With this in mind, can each child come ready for an activity preferably in the team colour that staff have given them (Y1-Y6) as these will be their teams for each activity.

Reception to come in their usual white t shirt and black shorts. Each Key stage has its own designated sports day which you are welcome to attend and support your child/ren.

Throughout the week they will also take part in sports such as rounder, dodgeball and handball against the other colours or in some cases against their other key stage class.

## Ladywood Sports Days

We welcome parents/carers to join us to watch their children participate in a number of sports events in the afternoon on the following dates:

- 30/06/2025 11.00am Nursery AM & Nursery 30 hours
- 30/06/2025 2.00pm Nursery PM & Nursery 30 hours
- 01/07/2025 1.30pm Class 1 & Class 2
- 02/07/2025 1.30pm Class 3 & Class 4
- 03/07/2025 1.30pm Class 5 & Class 6
- 04/07/2025 1.30pm Reception Class

Sports day will be finished before the end of the school day.

## Barnsley Library and the Story Shell

On Wednesday, all children enjoyed a story and activity session in the Barnsley Library Story Shell. The Story Shell will be visiting various locations in the local area over the summer and information is available on the library website.

All children brought home information about the summer reading challenge which is run by Barnsley libraries. Please read this information and I hope our Ladywood children will take up this challenge.

Enjoy your summer holiday reading everyone, we look forward to hearing your recommendations and top tips in September!

Mrs McQuillan

## Nursery

This week in Nursery, we have been learning about the season of 'Summer'. We have learnt about the changes that happen as we go into Summer and what to do to keep ourselves safe in the Summer.

Next week will be our 'Health and Fitness Week'. Children can come into school all week wearing 'sporty clothes'. Trainers are required for the duration of the week. Please do not send your child in Crocs as these are not suitable for the activities we will be doing.

Children will be taking part in a fruit tasting session. Children will be encouraged to try a range of different fruit. Please inform staff if your child has any fruit allergies by Monday so that it can be avoided.

On Monday, we have our 'Sports Day' which will take place in the EYFS Outdoor area. Morning children will take part at 11am and Afternoon children will take part at 2pm. 30 Hour children will take part in both sessions. Please arrive before this time as the door will be opened precisely at the starting time by a member of staff. Please do not press the buzzer beforehand as Reception will be learning and this will disrupt them. Late arrivals may not be able to be let in due to staffing.

There will be a 'Grown-Ups Race' as the children love to see this, so please bring your trainers and be prepared to run.

Any questions, please do not hesitate to ask a member of the EYFS Staff.

## Reception

We have been really enjoying our outdoor P.E. and playtimes on the big field. We have been practising our track events, ready for our sports day. I have been very impressed with the team skills and sportsmanship that the children are showing.

In our topic work we have been finding out facts about jungle animals. We have been looking closely at colours and patterns and have been discussing the meaning of the word "camouflage". We have used both fiction and non-fiction books and have discussed the differences in these books. We have also been talking about which books we like the best and why.

We have been reading "Oi Frog!" in our literacy sessions. We have used our phonics skills to decode the words and have re-read the book in order to improve our reading fluency. We have sounded out our words when writing labels, applying our phonic skills very well when doing this.

In our mathematics we have been using our number lines to add and subtract. We have been learning how to use the range of vocabulary when calculating. We have also been revising our number bonds to 10 and have been improving our rapid recall skills.

We loved our library sessions on Wednesday inside the giant story shell from Barnsley library. The story shell will be travelling around local towns over the Summer, so please look out for this.

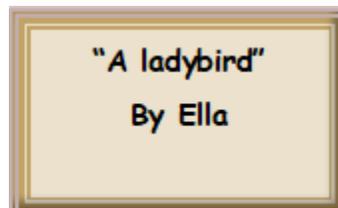

Next week we are looking forward to our health and fitness week. We will be finding out about all the things we need to do to stay healthy and fit. Please remember that children need to wear their P.E. kits and outdoor trainers every day for our different sporting activities.

Please can long hair be fastened up and earrings either removed or taped over.

A great week Reception children, have a lovely weekend!

Mrs McQuillan and Reception staff

## Picture of the week

## Year 1

This week in Year 1, children have been learning about the concept of time in Maths. We have been ordering and sequencing the events of our day. Children have also been continuing the days and months on from any given starting point.

In English, children have been writing facts about buildings and landmarks in London for Iggy Peck. We have loved learning about architecture and exploring famous landmarks in London.

In Geography we have finished our learning on hot and cold places. Children have loved exploring the 7 continents and talking about which animals live in hot and cold places.

We enjoyed visiting the story shell this week, it was great to tell a story using the beautiful pictures all around us.

Next week is sports and fitness week, Children are able to wear their team colour all week. We look forward to getting competitive, having some fun and getting as many team points as we can!

Have a lovely weekend,

Miss Adams and Mrs Wilson

## Year 2

This week we have had a wonderful time being authors and editors! We have chosen a piece of big write and had a go at making it better! There has been some amazing work happening and I have been super impressed with all the children and their publishing skills.

In whole class reading we have investigated different types of bears and where in the world they are from, we have answered retrieval, vocabulary and inference questions in great detail and are preparing ourselves for writing more detailed answers to these types of questions in year 3.

In maths we are now mastering the skill of division by applying the skills we have learned about grouping into equal groups, to more tricky problems which include numbers that can't be divided into equal groups and so have remainders. We now know that even numbers can not be shared equally into odd groups and that odd numbers can not be shared equally into even groups. This skill will be useful when we come to dividing two-digit numbers.

In writing we have practiced conjunctions and common exception words and are now ready to plan our instructional piece of writing on how to improve the hospitals during the war times.

## Year 3

In English this week, we have written a description of a setting. We described the city of Pompeii before Mount Vesuvius erupted and destroyed it. We also wrote a character description of Tranio, who is a character in the book we have started reading "Escape From Pompeii".

In maths, we have continued to work on fractions. We have ordered them on a number line and we have sorted them into 'equal to a whole' and 'not equal to a whole.'

In P.E. we have practised our sports day races this week and in D.T. we have continued to work on making 3D shapes out of nets to construct our own shelters.

In French, we have written our own requests of which fruit and vegetables we would like and in science we have looked at muscles in our bodies and how they work.

In Personal Development we have discussed 'stranger danger' and what this means and we also spoke about how we can keep ourselves safe.

We also learned about what farming was like before the industrial revolution in history and how new inventions helped farmers.

We are looking forward to our sports day next week on Wednesday. Children know which colour team they are in and they can come to school in their P.E. kit wearing their colour all week.

Thank you for your continued support,

Mrs Lassu, Mrs Salter and Mrs Guy.

Monday	14.07.2025	14:00-15:00

## Year 4

This week in year 4 we have continued with our biographies publishing them and editing. Next week we will be moving onto looking at "The Lion, the witch and the wardrobe" doing some narrative writing. In reading we have been looking at Walter Raleigh and his importance to Elizabeth.

In maths we have been looking at different shapes and symmetry. Next week we will be looking at money and adding and giving change.

In the wider curriculum we have been looking at flavoured ice cream in French and looking at batting in cricket and practising for next week's sports week.

We have also enjoyed finally finishing our class novel of Harry Potter.

## Year 5

In English, we continued our work on 'The Lost Thing' and watched a short video clip from when the boy discovers the lost thing. We then collected adjectives and used thesauruses to find different synonyms and explored alternative choices to sentences using shades of meaning. Next, we looked at the key features of a diary entry in preparation for writing our own next week.

In Whole Class Read, we continued reading 'When the Stars Come Out...' and found out how different animals adapt to the night. We explored how each animal is a master of survival in its own environment and completed a museum label to summarise and explain how they are best suited to their environment.

This week in Maths, we continued calculating with decimals by explaining the relationship between multiplying by 0.1 and dividing by 10. We solved conversion problems and then explained the relationship between multiplying by 0.01 and dividing by 100. Next, we will multiply by 10 and 100 to divide decimal fractions by one-digit numbers.

In Design and Technology, we completed our bridges and will spend time next week testing and evaluating them.

We would like to say a big well-done to all Year 5 children for taking part in the Key Stage 2 Music Festival this week; they were all amazing and should be really proud of their performance. We would also like to thank all parents who came along to support us. It was great to see children performing with a range of instruments from around the borough, including our own, playing the drums and glockenspiels.

## Year 6

Well it's all about performing for Year 6!

What an absolutely, astounding athletics at Dorothy Hyman on Friday. The team just blew us all away with their efforts, stamina and team spirit.

We also had the chance to watch the amazing talent of Sonny this week who entered directly into the quarter finals in an all ages talent show. Amazing!!!! Public votes are now needed for Sonny to be in a chance of entering the semi final, how to vote is explained in the "Community Notice Board" section of our newsletter. Good luck Sonny!

No stopping Y6 though, we have Bella showcasing her dancing talent, very soon. Bella will be taking part in the Dance UK competition in Spain! Good luck Bella!

We are exhausted: Athletics, Talent Shows and our own performance rehearsals but we are still working very hard on our curriculum becoming hieroglyphists, this week!

"nfr k3" (roughly means) "Good work"

The flyer features a header with three overlapping speech bubbles containing the words 'ability', 'bikeability', and 'confidence'. To the right is a large green arrow pointing right. The title 'Barnsley Bikeability Cycle Training' is centered. Below the title, it addresses 'Dear Parent / Guardian,' and explains that Bikeability is a national award for cycling delivered by Active Barnsley on behalf of Barnsley Council. It states that training will be delivered in schools starting Monday 14th July 2025. The sessions will be on playgrounds and quiet residential roads. A list of benefits includes: full training by qualified instructors, free bike safety checks, loan of bikes and helmets, and certificates for participants. It notes that both levels are for children who can already ride a bike. It details 'Bikeability Level 1 - Developing your child's basic riding skills and understanding of riding their bike' and 'Bikeability Level 2 - Developing your child's confidence and understanding of local routes.' A QR code and a link (<https://consent.bikeability.org.uk/proof-fey-sis>) are provided for booking. The flyer is signed by Adam Robinson, Bikeability Co-ordinator for BMBC / Active Barnsley. The footer contains logos for 'WHAT'S YOUR MOVE', 'ActiveBarnsley', and 'BARNLEY Metropolitan Borough Council'.

**Barnsley Bikeability  
Cycle Training**

Dear Parent / Guardian,

Bikeability is the national award for cycling and is delivered by Active Barnsley on behalf of Barnsley Council, aiming to help give children and young people the skills to confidently ride a bike safely.

**Bikeability cycle training will be delivered in your school, week commencing Monday 14<sup>th</sup> July 2025.**

Bikeability sessions will be delivered on the playground and quiet, safe residential roads close to school, all within school time.

- Full training is delivered by experienced and qualified instructors.
- Free bike safety check for your child's bike.
- If you haven't got a bike, we can loan a bike and helmets where needed, just indicate on the consent form.
- Children undertaking the course will receive a badge and certificate

Please note, both levels of this course are for children who can already ride a bike and they should be able to balance unaided as a minimum. Children that are considered to be riding competently after Level 1 will progress to Level 2.

**Bikeability Level 1 - Developing your child's basic riding skills and understanding of riding their bike.**

**Bikeability Level 2 - Developing your child's confidence and understanding of local routes.**

To book a FREE place for your child, please use the QR Code or link here.  
<https://consent.bikeability.org.uk/proof-fey-sis>

If you are unable to access the internet, please speak to the school about using an alternative booking method.

Yours Faithfully,  
Adam Robinson  
Bikeability, Co-ordinator BMBC / Active Barnsley

1 - Bikeability returns for Y6 children week commencing 14th July!

**FREE EVENT EVERYONE WELCOME**

**THURSDAY 14<sup>TH</sup> AUGUST 10AM-3PM**

**LOCKE PARK PARK ROAD BARNSELY S70 1YG**

**FUN & GAMES**  
**LOTS OF FREE PLAY OPPORTUNITIES**  
**CHANCE TO WIN PRIZES**

**RELAXATION/CHILL OUT AREA**  
**ARTS & CRAFTS**  
**SPORTS EQUIPMENT**

THE PLAY OPPORTUNITIES AND ACTIVITIES PROVIDED ARE FREE OF CHARGE AND AIMED AT ALL AGES!  
LOCATED NEAR THE BAND STAND.  
ALL WE ASK IS THAT YOU COME AS YOU ARE, GET STUCK INTO THE FUN AND MAYBE BRING A PICNIC AND MAKE A DAY OF IT.  
PLEASE NOTE - YOUNG CHILDREN MUST BE SUPERVISED BY THEIR GROWN UP AND TEENAGERS MUST BRING A FRIEND!

We have a Y6 pupil who has entered an all ages talent show called Banks Got Talent, It was a great experience for Sonny, who did a fantastic job at performing a guitar melody of Bad Habits by Ed Sheeran and received some amazing feedback from the judges and audience last weekend but now Sonny needs the public to vote for him to be in with a chance of getting through to the semi finals!

Vote for Sonny by following this link -
