Ladywood Weekly News

Issue 35

Friday 20th June 2025

Dear Parents and Carers,

Wow what a warm week it has been! On Thursday and Friday this week we have provided the children with ice pops to keep them cool. Thank you Mrs Hodgson; this was a great idea. The classrooms are relatively cool but it is warm on the playground and the field at lunchtime and the ice pops helped cool us down.

A number of children have been arriving at school early over the last few weeks. This has resulted in children playing games of football unsupervised by staff from as early as 8am. Unfortunately, as staff are preparing work and classrooms for the day ahead, I can not staff supervision on the playground before the school day. As a direct result the gate at the top of the school path will remain locked until 8.30am.

Due to the heat we held our 'picnic menu' themed lunch indoors on Wednesday but tried to make it special with decorated tables and bunting. The children enjoyed getting a picnic bag of food and always enjoy the hall being decorated for themed events.

Just a quick reminder that our Health and Fitness week takes place w/c 30.06.25 so please check the important dates section for the afternoon when your child(ren) will be competing in sports events. Further information about this week can be found within our newsletter.

Have a lovely weekend everyone – if the hot weather continues please ensure your child comes with a hat and with sun cream applied next week. Many thanks.

Have a lovely weekend,

Yours sincerely,

Mrs CL Grainger-Roystone

Headteacher

Attendance

Our attendance target is 96%. Each week the class with the highest attendance receives an award and £5 credit towards an end of year treat. Last week, **Nursery** achieved the highest attendance of 96.9%. **WELL DONE!**

Lates

Polite reminder that if your child/ren arrive between 8.55am and 9.15am they will receive a late mark (L) code. If your child/ren arrive after 9.15am they will receive a (U) code which is also an unauthorised late mark and could lead to a fixed penalty. Absences, whether authorised or unauthorised will bring your child/ren's attendance down.

Illnesses

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell. Please see illnesses information below.

Polite reminder that if your child/ren are unwell, please ensure contact is made to the office, via the app or leaving a voicemail on 01226 711488. Please ensure a reason for absence is provided daily.

Appointments in school time

Polite reminder that medical/dental appointments need to be arranged outside of school hours, on occasions this may be unavoidable, please always ensure appointment confirmation cards/letters are provided to the school office at the earliest opportunity so these can be added to your child/ren's record.

Home visits

Home visits will be carried out to check on the well-being of children who are absent from school. These visits will take place in cases where no contact can be made to establish reason for absence and on day 3 of absence in all cases, and will continue if absence persists. In some cases, dependent on the circumstances surrounding pupil absence, we may make a home visit sooner. If deemed appropriate, the Education Welfare Officer may make the home visit.

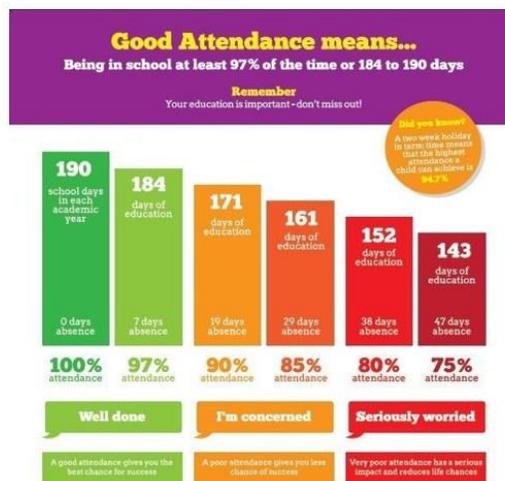

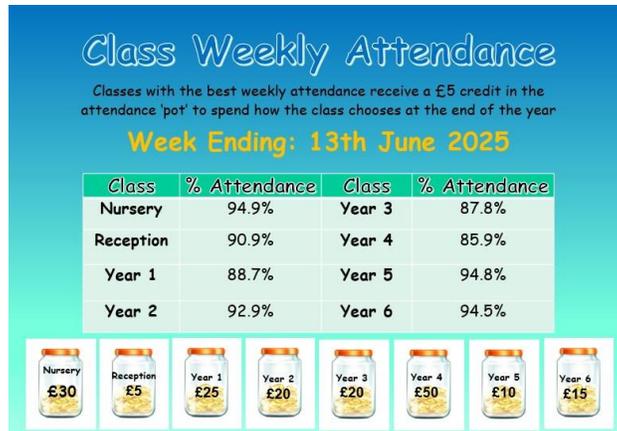

Leave of Absences

Penalty Notices are requested from schools and **issued by the Local Authority** to the parents/carers of statutory school age children, and can be issued per parent, per child. For example: 3 siblings absent for leave of absence in term time could result in **each** parent/ carer receiving 3 separate fines at the below rates.

- **First offence** - The first time a Penalty Notice is issued the amount will be: £80 per parent, per child paid within 21 days. This fine increases to £160 per parent, per child if paid after day 21, until day 28.
- **Second Offence (within 3 years)** - the second time a Penalty Notice is issued the amount will be £160 per parent, per child paid within 28 days.

- **Third Offence and Any Further Offences (within 3 years)** - the third time an offence is committed a Penalty Notice will not be issued, and the case may be presented straight to the Magistrates' Court under s.444 of the Education Act (1996) or other legal interventions considered. The Magistrates' Court can order fines up to £2500 per parent, per child.

Failure to pay a Penalty Notice will render you liable to criminal proceedings in the Magistrates Court under Section 444 of the Education Act 1996.

Ladywood Primary Attendance Awards September 2024-July 2025

Individual awards

- If your child/ren achieve 96% or above for 1 school term they will receive their Bronze attendance award
- If your child/ren achieve 96% or above for 2 consecutive school term's they will receive their Silver attendance award
- If your child/ren achieve 96% or above for more than 2 school term's they will receive their Gold attendance award
- Any child/ren with 100% attendance by the end of the academic year will receive a special award

When can my child return to school? If you are worried, please seek further advice from your GP or community pharmacist
★ = Vaccine preventable

Chicken Pox 5 days from onset of rash and all the blisters have crusted over	Conjunctivitis No need to stay off, but school or nursery should be informed	Diarrhoea & Vomiting 48 hours from the last symptoms	Glandular fever No need to stay off, but school or nursery should be informed	Cold and Flu like illness (including COVID-19) No longer have a high temperature and feel well. Follow the national guidance if they've tested positive for COVID-19 ★	
Hand, foot & mouth No need to stay off, but school or nursery should be informed	Head lice No need to stay off, but school or nursery should be informed	Impetigo <small>Think Pharmacy First</small> When sores are crusted & healed or 48 hours after starting antibiotics	Measles or German Measles 4 days from onset of rash and recovered ★	Mumps 5 days from onset of swelling ★	Scabies 24 hours after first dose of chosen treatment
Scarlet fever 24 hours after starting antibiotics	Slapped cheek No need to stay off after rash has developed. Health & Fitness Week!

Our annual Health and Fitness week will be taking place on the week commencing the 30th June. Each day your child will engage in some sporting activity or health awareness lesson. With this in mind, can each child come ready for an activity preferably in the team colour that staff have given them (Y1-Y6) as these will be their teams for each activity.

Reception to come in their usual white t shirt and black shorts. Each Key stage has its own designated sports day which you are welcome to attend and support your child/ren.

Throughout the week they will also take part in sports such as rounder, dodgeball and handball against the other colours or in some cases against their other key stage class.

Ladywood Sports Days

We welcome parents/carers to join us to watch their children participate in a number of sports events in the afternoon on the following dates:

- 30/06/2025 11.00am Nursery AM & Nursery 30 hours
- 30/06/2025 2.00pm Nursery PM & Nursery 30 hours
- 01/07/2025 1.30pm Class 1 & Class 2
- 02/07/2025 1.30pm Class 3 & Class 4
- 03/07/2025 1.30pm Class 5 & Class 6
- 04/07/2025 1.30pm Reception Class

Sports day will be finished before the end of the school day.

Nursery

This week in Nursery, we have been reading the story of 'What the Ladybird Heard'. We have been discussing what happened in the story and where animals in the story live. In Maths, we have been looking at 3D shapes.

Next week, we will be looking at the season of 'Summer'. We will be discussing what happens during Summer and how we can keep ourselves safe in the Summer. In Maths, we will be describing everyday objects

During the week commencing the 30th June, we will have our 'Health and Fitness'. Children can come to school all week in sportswear. We will also be having a fruit tasting experience one day. Please ensure that any fruit allergies are discussed with a member of the EYFS staff before.

Please ensure that children are bringing a sunhat to school every day. We have some spare hats but do not have enough for each child to have one. Multiple children will be using the spare hats as they are not assigned to one child so for hygiene reasons, please ensure your child brings their own.

Please note, Nursery will be closed on Monday 7th July and Monday 14th July for New Starter visits.

Reception

We have started our work on jungle animals this week. We have used books and the computer to find out which animals live in the jungle. We have been looking closely at animal colours and patterns and understanding what the word "camouflage" means.

We have enjoyed reading "Rumble in the Jungle" by Giles Andreae in our literacy sessions. We have loved listening to the different animal poems and have explored the meaning of lots of new words. We have drawn different animals and have sounded out our own words when writing our labels.

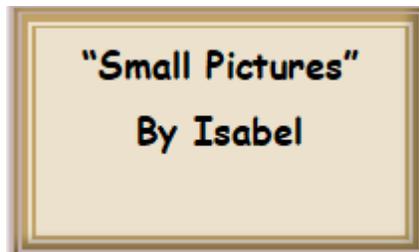

In our Mathematics we have been developing our rapid recall of number bonds. This week we have been recalling the pairs of numbers that make 6. We have also been using a number line to jump forwards and backwards when engaged in addition and subtraction tasks.

We enjoy our P.E sessions on a Friday. It is great to see the growing independence skills when children are changing. We are working on our throwing and catching skills and developing our accuracy with this. We are also practising our different races ready for our sports afternoon, later in the term.

A super week Reception children. Enjoy a lovely weekend.

Mrs McQuillan and Reception staff

Picture of the week

Year 1

This week, we've been diving into the imaginative world of "Iggy Peck, Architect". The children have absolutely loved learning about Iggy's passion for building and how he uses his creativity to solve problems. We have asked Iggy some questions and thought about what we would want to build if we were Architects!

In maths, we've been exploring position and direction. Using fun, practical activities including giving instructions to each other and even navigating obstacle courses! We are developing confidence in knowing our left and right and using vocabulary like forwards, whole turn, half turn etc.

The children have been busy practising for Sports Day, KS1's will be on Tuesday 1st July. Your child is invited to wear a coloured T-shirt to match their colour team during the week. Children should now know what colours they are. Ask your class teacher if you're not sure.

Stay safe in the sunshine this weekend and enjoy it while it's here!

Miss Adams and Mrs Wilson

Year 2

This week we have had an amazing week of learning, we have been practicing our retrieval, inference and vocabulary skills in reading by collecting information about different kinds of bears, so far, we have learned about giant pandas, polar bears and sloth bears, we really impressed Miss Barnes with the knowledge we already had about polar bears, we knew that their skin was actually black and that their fur was see through! We learned that Pandas eat A LOT of Bamboo!

In Writing we were introduced to the magic grandpa who went on a trip back in time, to Scutari hospital with his grandchildren, to meet Florence Nightingale. We used this video to collect information for our next big write piece, which will be instructions on how to improve hospitals from the perspective of Florence Nightingale. For this we have learned to use commands in the present tense.

In Maths we have continued to practice doubling and halving and how we can apply this to two-digit numbers, we have also learned that half of a product is a factor and double the factor is the product and can now confidently apply this to our learning of multiplying and dividing.

Next week we will practice using co-ordinating and sub-ordinating conjunctions before we apply them to our big write pieces.

We have begun to study Hinduism in RE, focusing on Hindu gods and next week will look at Hindu Celebrations.

Year 3

In English this week, we have started to read a book called "Escape from Pompeii" and it is about when Mount Vesuvius erupted in Roman times and destroyed the town of Pompeii which was underneath it. We have been writing descriptions and trying to use all the skills that we have learnt in our writing.

In Whole Class Reading we have started to read the story of "Mr Penguin" and we have looked at how the author uses specific words or phrases to make Mr Penguin look funny. We have also been using our retrieval and inference skills to write descriptive paragraphs of characters and settings.

In maths, we have continued to learn about fractions and we have moved on to finding fractions of quantities.

In P.E. we have continued to practise our rounders skills, playing a class game of rounders. We showed excellent teamwork skills.

In science we have been learning about vertebrates and invertebrates and looking in more detail about how invertebrates move and protect themselves.

In Personal Development this week we have discussed loss and how losing someone or something close to us can make us feel.

We have also started our final history topic of The industrial Revolution and we have made 3D shapes from nets in D.T.

Thank you for your continued support,

Mrs Lassu, Mrs Salter and Mrs Guy.

Ladywood School Swimming Term 2

Term 2 :		
<u>Day:</u>	<u>Date:</u>	<u>Time:</u>
Monday	03.03.2025	14:00-15:00
Monday	10.03.2025	14:00-15:00
Monday	17.03.2025	14:00-15:00
Monday	24.03.2025	14:00-15:00
Monday	28.04.2025	14:00-15:00

Monday	23.06.2025	14:00-15:00
Monday	30.06.2025	14:00-15:00
Monday	07.07.2025	14:00-15:00
Monday	14.07.2025	14:00-15:00

Year 4

This week in year 4 we have continued with biographies in English, writing our independent ones about a Tudor monarch we have learnt about this year. Next week we will edit and publish these.

In maths, we have continued to convert between mixed numbers and improper fractions. We have also been looking at, and identifying different types of triangles. Next week we will look at symmetry.

In history, we have looked at what happened after Henry's VIII's death and before Elizabeth I became the monarch. In French we have been looking at talking about the weather in French and learning to sing in music. In Pe, we have practised our athletics skills for the sports day as well as batting and fielding in cricket.

In science with Mrs Dean, we looked at the different types of teeth there are in a human body.

Year 5

In English, we continued our work on 'The Lost Thing' and wrote our 'Found' tags. We made sure we included relative clauses, noun phrases and prepositions. We then published these and enjoyed sharing them with the rest of the class.

In Whole Class Read, we continued reading 'When the Stars Come Out...' and found out about the different types of stars; red, white and blue. We then completed some retrieval activities, collected facts and found out about the different constellations.

This week in Maths, we continued calculating with decimals by using known multiplication facts to multiply decimal fractions by whole numbers. We then used this knowledge to solve problems using measures. Next week, we will explain the relationship between multiplying by 0.1 and dividing by 10, multiplying by 0.01 and dividing by 100.

In Design and Technology, we continued to make our bridges and began putting them together with hot glue. We will complete them next week and then test and evaluate them.

In History, we started a new topic on the Anglo-Saxons. We explored what Britain was like before the first Viking invasions. We discovered how the Anglo-Saxons came to Britain and found out about what life was like in the 8th century before the Viking invasions.

Music Festival Reminder!

Year 5 children are taking part in the Key Stage 2 Music Festival on Wednesday 25th June, at the Metrodome Arena. The festival will take place in the afternoon, starting at 1.30 p.m. and will last for around an hour. Families are welcome to join us by making their own way there and audience admission is £5 payable on the door (cash or card). There is a poster displayed on the Year 5 classroom window.

[Year 6](#)

Another Busy week in Y6, showing lots of resilience to keep going with our learning. Some of us have enjoyed swimming and lots of athletic activities - in training for our annual sports day - in the afternoons. We also have been very reflective about our years at Ladywood and have enjoyed sharing our memories, together.
