Ladywood Weekly News

Issue 15

Friday 19th December 2025

Dear Parents and Carers,

Thank you all so much for the support you have shown school and your children this week with your attendance at the Christmas Performances. We were really proud of all the children for the parts they played in their performances and could see they all increased in confidence over the last few weeks. The raffle has been drawn and the winning tickets communicated to pupil contacts. If you are one of the lucky winners please bring your ticket along to reception to collect your prize.

This morning we have had an emotional assembly to celebrate Mrs McQuillan's retirement. We are all extremely sad to see Mrs McQuillan leave Ladywood for the last time. She has been an outstanding teacher and member of the leadership team at school and will be missed very much by staff and children alike. We do wish Mrs McQuillan lots of luck, love and happiness in her retirement.

We have rounded the day off with children's Christmas Parties which the children have thoroughly enjoyed. It has been lovely to share their excitement at this special time of year and witness them all dressed up in their party clothes.

A massive thanks, on behalf of all staff, for your Christmas gifts – it is unnecessary but appreciated. We would like to wish you all a very Merry Christmas and a Happy New Year. We hope you enjoy spending time with your family and loved ones and ... of course, we hope everyone is on the good list and gets visited by Santa.

We will see you in January 2026 when school reopens on Monday the 5th.

Have a lovely weekend.

Yours sincerely,

Mrs CL Grainger-Roystone

Headteacher

Attendance

Our attendance target is 96%. Each week the class with the highest attendance receives an award and £5 credit towards an end of year treat. Last week, **Y4** achieved the highest attendance of 99.2%. **WELL DONE!**

Lates

Polite reminder that if your child/ren arrive between 8.55am and 9.15am they will receive a late mark (L) code. If your child/ren arrive after 9.15am they will receive a (U) code which is also an unauthorised late mark and could lead to a fixed penalty. Absences, whether authorised or unauthorised will bring your child/ren's attendance down.

Illnesses

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell. Please see illnesses information below.

Polite reminder that if your child/ren are unwell, please ensure contact is made to the office, via the app or leaving a voicemail on 01226 711488. Please ensure a reason for absence is provided daily.

Appointments in school time

Polite reminder that medical/dental appointments need to be arranged outside of school hours, on occasions this may be unavoidable, please always ensure appointment confirmation cards/letters are provided to the school office at the earliest opportunity so these can be added to your child/ren's record.

Home visits

Home visits will be carried out to check on the well-being of children who are absent from school. These visits will take place in cases where no contact can be made to establish reason for absence and on day 3 of absence in all cases, and will continue if absence persists. In some cases, dependent on the circumstances surrounding pupil absence, we may make a home visit sooner. If deemed appropriate, the Education Welfare Officer may make the home visit.

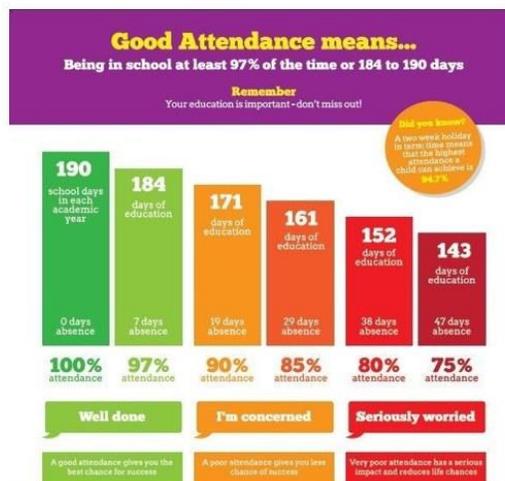

Leave of Absences

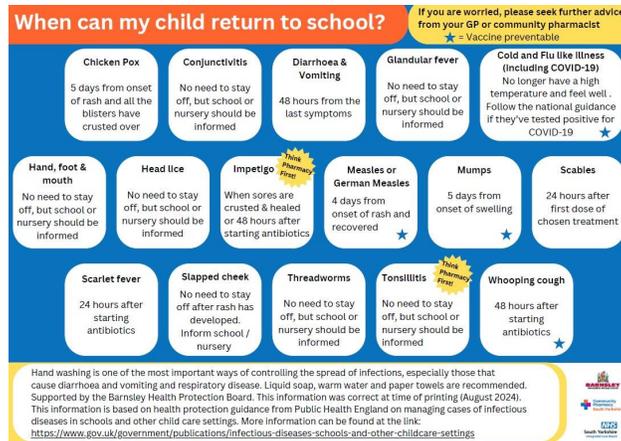

Penalty Notices are requested from schools and **issued by the Local Authority** to the parents/carers of statutory school age children, and can be issued per parent, per child. For example: 3 siblings absent for leave of absence in term time could result in **each** parent/ carer receiving 3 separate fines at the below rates.

- **First offence** - The first time a Penalty Notice is issued the amount will be: £80 per parent, per child paid within 21 days. This fine increases to £160 per parent, per child if paid after day 21, until day 28.
- **Second Offence (within 3 years)** - the second time a Penalty Notice is issued the amount will be £160 per parent, per child paid within 28 days.

- **Third Offence and Any Further Offences (within 3 years)** - the third time an offence is committed a Penalty Notice will not be issued, and the case may be presented straight to the Magistrates' Court under s.444 of the Education Act (1996) or other legal interventions considered. The Magistrates' Court can order fines up to £2500 per parent, per child.

Failure to pay a Penalty Notice will render you liable to criminal proceedings in the Magistrates Court under Section 444 of the Education Act 1996.

Nursery

This week in Nursery, we have been talking about the celebration of Christmas and why we celebrate it. In Maths, we have been talking about positional language and trying to use words to describe our positions. We tried so hard for our Christmas Performances and we hoped you enjoyed it.

After the holidays, we will be starting our new topic of 'Journeys' where we will be reading the story of 'We're Going on a Bear Hunt'. In Maths, we will be practising our careful counting.

Thank you for all of the support this Term. Have a lovely holiday and I will see you in the New Year, love Miss Wilding!

Reception

Our week started with 2 fabulous Nativity performances. We were all incredibly proud of how well our children sang, read lines and acted out the story. The children loved performing for our audiences on Monday morning and afternoon.

We have been singing lots of Christmas songs in class and have enjoyed lots of Christmas stories. We have been talking about how we celebrate Christmas at home with our family and friends.

We have also been talking about Winter and the seasonal changes that occur. We have used lots of non fiction books to explore the changes that happen now winter is here. Children have used their own pictures to show some of these changes.

In class discussions we have been using full sentences with lots of new vocabulary to explain what happens in the winter.

I have loved our Christmas week together Reception children and I hope you all have a super Christmas with all your families and friends.

I have also loved the whole term with you. I have seen you all grow and develop and progress in every way.

It has been a pleasure and a privilege teaching you all. An enormous well done for all the super achievements you have made.

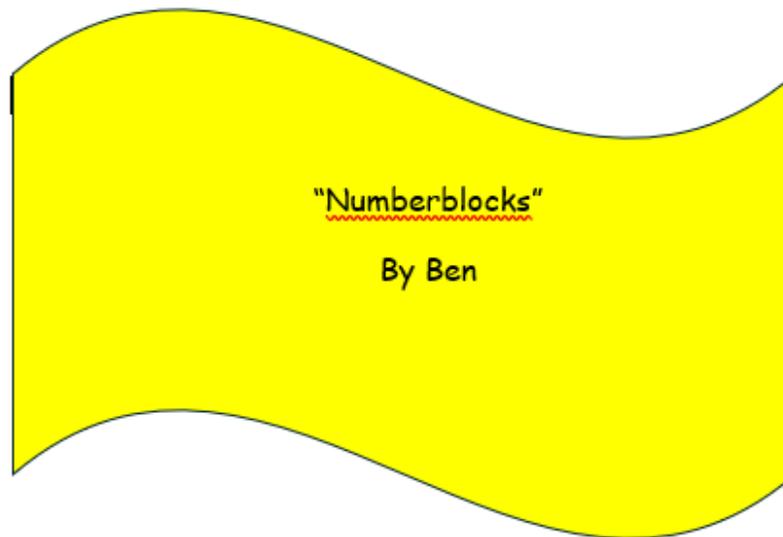

Thank you Reception children and families for a truly wonderful last term at Ladywood.

I wish you all a very happy Christmas and all the very best for 2026, I will miss you all enormously, remember - keep reading!

All my love,

Mrs McQuillan

Picture of the week!

Year 1

What a wonderful and festive final week we have had in Year 1! The children have been incredibly busy and have embraced the Christmas spirit. We were so proud of the children during their Christmas play. They sang beautifully, spoke confidently and showed great

teamwork. Thank you to all families who came to support – the children loved performing for you!

The children also enjoyed a delicious Christmas dinner, which was a real highlight of the week. There were lots of smiles as they shared this special meal with their friends.

Our Christmas party was full of fun, laughter and excitement. The children enjoyed games, dancing and celebrating together. To end the festivities, we all settled down to enjoy a Christmas film, a lovely calm way to finish a very busy term.

We are extremely proud of how hard the children have worked this term and how much progress they have made. They have shown kindness, resilience and a fantastic attitude to learning.

Thank you for your continued support throughout the term. We wish you and your families a very Merry Christmas and a Happy New Year. We look forward to welcoming the children back refreshed and ready for a new term in January.

Miss Adams and Miss Morgan

Year 2

What an amazing half term it has been in Year 2! The children have worked incredibly hard and should be very proud of everything they have achieved.

In writing, we have loved exploring Felix the Fast Tractor and his exciting escapades in the snow. The children produced some fantastic pieces of writing, carefully using expanded noun phrases, conjunctions, contractions and a range of suffixes to make their sentences more interesting and detailed. Their confidence and independence as writers has grown so much this half term.

In maths, the children have made brilliant progress adding two-digit numbers, placing numbers accurately on a number line and confidently tackling word problems. Their perseverance and problem-solving skills have really shone through.

In DT, we have designed our mining pouches linked to our history learning. The children have shown great creativity and thoughtfulness in their designs, and we can't wait to begin making and finishing them after half term.

We are also so excited to start our new history topic, The Great Fire of London, next half term.

Finally, the children did an outstanding job in our Christmas nativity and made their teachers and the whole school incredibly proud. We hope parents were just as proud too!

We wish you all a safe, happy Christmas and hope you get everything you have asked for. 🎄 ✨

Year 3

This week in literacy, we have continued to read 'Coming Home' by Michael Morpurgo and this text has inspired us to write our own stories about animals trying to get home to their own families.

We have also answered questions about our story, 'The lion and the Unicorn' in whole class reading and we have practised spelling words with the prefixes 'dis' and 'im.'

In maths, we have practised adding and subtracting ones and tens when we cross hundred boundaries.

In computing, we have created our own animations using emotions and in French we learned how to write the date.

We also did some Christmas art activities too where we made paper chains and snowflakes to decorate our classroom.

We have also performed our 'Wizard of Oz' play to parents and we enjoyed a Christmas film and party at the end of the week.

We would like to wish everyone a very Merry Christmas and a Happy New Year and we hope you all have a well-earned rest!

Mrs Lassu, Mrs Salter and Miss Longbottom

Year 4

A very merry Christmas to you all. Thank you for attending our wonderful performances this week. I hope you have enjoyed them as much as we have. In lessons we have written a recount of what has happened in our novel the Iron Man. We have been looking at the 6 times table in maths looking at the adjacent multiples. We have also created our Christmas cards in the style of William Morris our artist for this term and created calendars which will hopefully remind the children to practice their timetables when they see them on TT Rockstars or by just practising. WE have also been working hard in DT on our bags that we have been making with Mrs Dean.

NEXT WEEK I hope you will all be enjoying the festivities.

When we come back, we will be carrying on with our story of the Iron Man in English and in Maths we will be looking at the relationships between the 3's and 6's times tables. In the wider

curriculum, we will be continuing our unit of electricity with Mrs Dean in science. In PE, we will continue with basketball and dodgeball and in History we will be continuing our journey through time looking at Elizabeth the first.

Have a really great Christmas and a super New Year.

Mr Bowering, Mrs Ward and Mrs Guy.

Year 5

We've had a busy and exciting end to the term. The children have been a pleasure to teach and we are very proud of their hard work and achievements. We hope you all enjoyed our Christmas performances this week; the children have worked really hard and we are so proud of their resilience and effort.

In English, we completed our expanded explanation texts on our Mars rovers and enjoyed sharing them with our peers. After Christmas, we will begin our new book 'Room 13' and will read this leading up to our residential to Cober Hill and will continue to read it whilst there. We will find out about some of the key areas of interest of Whitby and discover what is really hiding in Room 13. In Maths, we converted quantities of money between pounds and pence and used our knowledge of addition to efficiently add commonly used prices. In our topic sessions, we added the final touches to our Christmas cards and calendars and the children are looking forward to sharing them with you.

We would like to wish all of our families a happy Christmas and thank you all for your continued support!

Year 6

Year 6 have enjoyed a wonderful and festive final week of term, combining focused learning with lots of Christmas fun!

In English, the children planned and wrote their own informal letters, choosing from different writing scenarios and applying the features we have been practising, including appropriate tone and structure. Many pupils showed great independence and pride when writing and presenting their final versions.

In Maths, we explored co-ordinates and shape, plotting points, translating and reflecting shapes on a four-quadrant grid. These skills were revisited through fun Christmas-themed activities, helping to keep learning engaging right up to the end of term.

The children also enjoyed lots of festive activities, including making Christmas cards and calendars, taking part in Santa’s Workshop, and enjoying Christmas games and celebrations together. We were incredibly proud of Year 6 during their performances of The Wizard of Oz, where they showed confidence, teamwork and enthusiasm.

We ended the week with a class Christmas party, music and games — a lovely way to celebrate a fantastic term of hard work.

Thank you for your continued support. We wish all our families a very happy and restful Christmas break! 🎅🌟

Community Notice Board

The poster is for a 'Santa Hat Stroll' in Dearne. It features a festive design with a green and white striped border and a red Santa hat icon in the top right corner. The title 'SANTA HAT STROLL DEARNE' is prominently displayed in large, bold, black letters. Below the title, the text 'STEP INTO CHRISTMAS!' is written in a smaller font. A paragraph describes the event as a cheerful stroll with festive fun, including a potential surprise visit from Santa. The activities are listed in green rounded rectangles: 'CHRISTMAS GAME', 'REFRESHMENTS', 'TREATS', 'SANTA HATS', and 'SANTA'S GROTTTO'. The event details include the date (Monday 22 December, 2pm), meeting point (Horse and Groom Square, S63 9NE), parking location (Goldthorpe Library, S63 9NE), and a note that pre-booking is recommended. A circular inset photo shows the meeting point area, labeled 'Meeting point'. At the bottom, there are illustrations of a snowman and two children, a 'Book here' sign, and a QR code. The footer contains contact information and logos for 'Barnsley Wellbeing Walks', 'Sport and Physical Activity Team', and 'Barnsley Metropolitan Borough Council'.
